Optoma

WUSB
Wireless USB adapter

- **Tiny and light weight – smaller than an SD card**

- **Easy to use**

- **Enables wireless presentation features on your projector***

Bring wireless presentation features to your projector with the tiny WUSB. This wireless USB adapter enables the wireless features on your projector so you can display presentation materials wirelessly from a mobile device, laptop or Mac to your projector*.

*wireless features are only available on compatible projectors. See a list of compatible models below.
