

# L18050

## DATASHEET / BROCHURE

**Fast and feature-rich, this 6-colour A3 photo inkjet delivers high quality, high volume and hassle-free printing at a low-cost-per-print**

With a low cost-per-photo<sup>1</sup> and mobile printing<sup>2</sup>, this fast, cartridge-free inkjet is perfect for high volume, high-quality A3+ photo print, copy and scan. With a compact design, key-lock bottles and front facing ink tanks for easier filling, the L18050 offers photographers a space-saving and easy-to-use solution. Offering wide media compatibility, print on PVC/ID cards, CDs and DVDs.

### **Say goodbye to expensive cartridges**

With a high capacity 6-colour ink tank utilising 70ml ink bottles, the L18050 delivers low-cost-per-print, with up to 1,500 10x15 cm colour Photos / 2,600 bk, 5,400 cl pages with the included inks<sup>1</sup>.

### **Keep on saving**

Save every time you print with this EcoTank, thanks to Heat-Free PrecisionCore technology, the L18050 has a low energy consumption, saving on energy bills. It also features large ink tanks to refill with low-cost ink bottles.

### **High-quality A3+ photo printing**

This 6-colour, dye-based A3+ printer delivers professional-looking, glossy photos with smooth tonal gradations, deeper and more natural blacks, detailed high-contrast images and natural skin tones.

### **Easy-to-use and reliable**

An integrated front facing ink tank system with fast key-lock bottles and drip-free nozzles provides quick and easy refilling using individual ink bottles. Avoid downtime with the easy-to-access replaceable maintenance box and pickup roller. With a product lifetime of 50,000 photos and 3-year warranty<sup>3</sup>, the L18050 provides peace of mind, so you can focus on capturing great photos.

### **Print from almost anywhere**

The L18050 offers reliable wireless photo printing, making it easy to print from mobiles, tablets and laptops. With Wi-Fi and Wi-Fi Direct, you can send documents to print from smart devices using the Epson Smart Panel app<sup>2</sup>.

### INK BOTTLE YIELD DATA

		
Included	2.600 pages*	5.400 pages*
Replacement	3.600 pages*	7.200 pages*

\* Approx. page yield based on ISO/IEC 24711/24712 or ISO/IEC 29102/29103. Actual yield will vary depending on images printed and usage conditions. For more information visit <http://www.epson.eu/pageyield>

1. Quoted yields are extrapolated based on Epson original methodology from the print simulation of Test Patterns provided in ISO/IEC 29103 with replacement sets of ink. Quoted yields are NOT based on ISO/IEC 29102. Quoted yields may vary depending on the images that you are printing, the paper type that you are using, the frequency of your prints and environmental conditions such as temperature. During the initial printer setup, a certain amount of ink is used to fill the print head's nozzles, therefore the yield of the initial bundled set can be lower.
2. Mobile printing solutions require a wireless and/or an Internet connection to the printer. For a list of Epson Connect enabled printers, compatible devices, apps and ways to connect, visit [www.epson.eu/connect](http://www.epson.eu/connect).
